

CAPITAL RECRUIT'S

Executive Search and Recruitment

Our Executive Search and Recruitment team work with your organisation to bring together the best talent to enhance your leadership team. We are committed to your Executive recruitment and will partner with you to ensure a value-add senior appointment that will bring additional strength and transformation to your business, organisation, or agency.

About the Team

Katie and the team work closely as the link between the candidate and client ensuring the experience for both parties is professional, constructive, and consultative. We will meet with you to understand your career and organisational goals to source the right people. Our internal focus on diversity in the workplace feeds through to our recruitment approach and we offer a bespoke approach to clients individual needs.

We have an exceptional reputation and networks across the Canberra market we leverage, as well as the technical support to perform national and global searches when needed. We are small enough to offer unrivalled service and large enough to deliver.

Katie Alexander,
Government Senior
Executive Service (SES)
0477 884 403

Our Executive team recruit all C-suite and senior executive/director roles in the private and non-profit sectors and all SES levels in Federal and State Government.
